TEXERE presenta la colección RACING, una colección para abastecer el mercado del automóvil. Una amplia oferta en gama y color en PVC de alta calidad que cumple con los requisitos necesarios en la demanda del retapizado de vehículos.

Les presentamos también una amplia selección de tejidos foamizados (colecciones imperecederas y con continuidad de producción) para abastecer cualquier diseño de los estandarizados en el mercado.

Todas estas referencias han sido previamente testadas y certificadas con los mejores resultados de análisis para conseguir la mayor optimización y durabilidad.
